## *Introduction*

### **Dear Clients**

We are proud to present our new catalog for season 2023-2024. This year you can find remarkable pictures of new varieties and highlights.

Our complete updated variety list is available at the end of the catalog.

Please feel free to ask for a digital version so you can also receive a link to our picture bank.

You can also get a copy in our online ordering system, and we also have a printed version available.

We hope to see you at one of our upcoming exhibitions –

CAST USA – March 2023

Flower Trials Holland – June 2023

HTA Show UK – June 2023

Cultivate USA – July 2023

IPM Germany – January 2024

We will also be happy to welcome you in our farms.

Wishing you a good and successful season.
