DEVAN

GREENHOUSES

Young Plants Program

2024-2025

TO THE GROWER:

Elevate your Spring program with our selection of over 2600 varieties!

NEW this season is the Calibrachoa Calico series that offer unique petal designs that look brushed or splattered. Varieties of Arenaria, Aubrieta, Helenium, and Saxifraga are also making a debut!

NEW this season is a selection of cut flower varieties that we are able to include in our main program. This means low minimums and more accessible. Create your own Garden to Vase program!

Combining 7+ suppliers we aim to offer a wide selection for any taste, all in one place.

Thank you for choosing Devan Greenhouses for your Young Plants needs. We are grateful for your continued support!

YOUNG PLANTS AVAILABILITY

Every week we have an availability showing rooted liners and unrooted cuttings we have in stock and ready to ship in the coming weeks.

Separate attachments of available hard goods and picture labels are also included.

To join the weekly availability mailout, send an email to:
youngplants@devangh.ca

New varieties for the 2024-2025 season are **bolded!**

RETAIL READY PRODUCT

We offer product ready to ship, ready for sale!

To join the weekly availability for finished product, send an email to: sales@devangh.ca

PICTURE LABELS

Picture labels are available for purchase and can be found in the weekly availability as an attachment once inventory has been confirmed.

Picture labels are not automatically added to your order and must be ordered separately. You can use the availability as an order form. Tag orders will ship with the next available order you have with us unless otherwise specified.

Additional information can be found on page 74.

100 tags - \$5.00
33 tags - \$3.00

Tag Size:
12cm x 4.5cm
(5" x 2")

TRAY SIZES

Our Young Plants Program offers two tray sizes for easy planning.

102 count trays (sold as 100) offer larger scale production.

34 count trays (sold as 33) are the same plug size as the 102 count trays but offer smaller quantity for testing new varieties or having a limited run of production.

Same plug size = constant production!
